EUCLIDIAN

1951

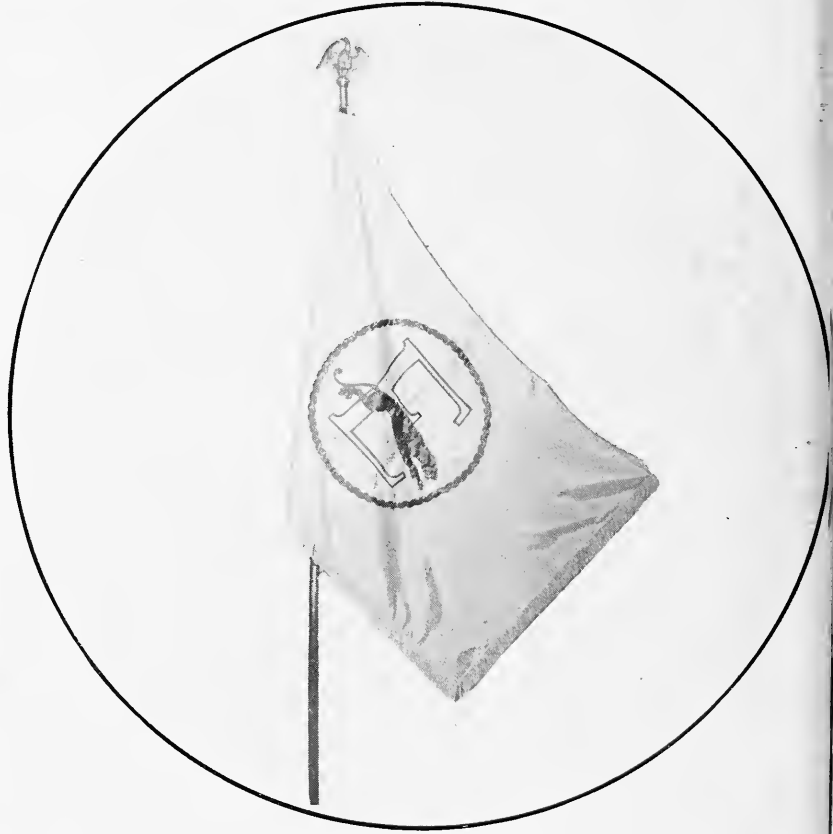

Presented by the Students of

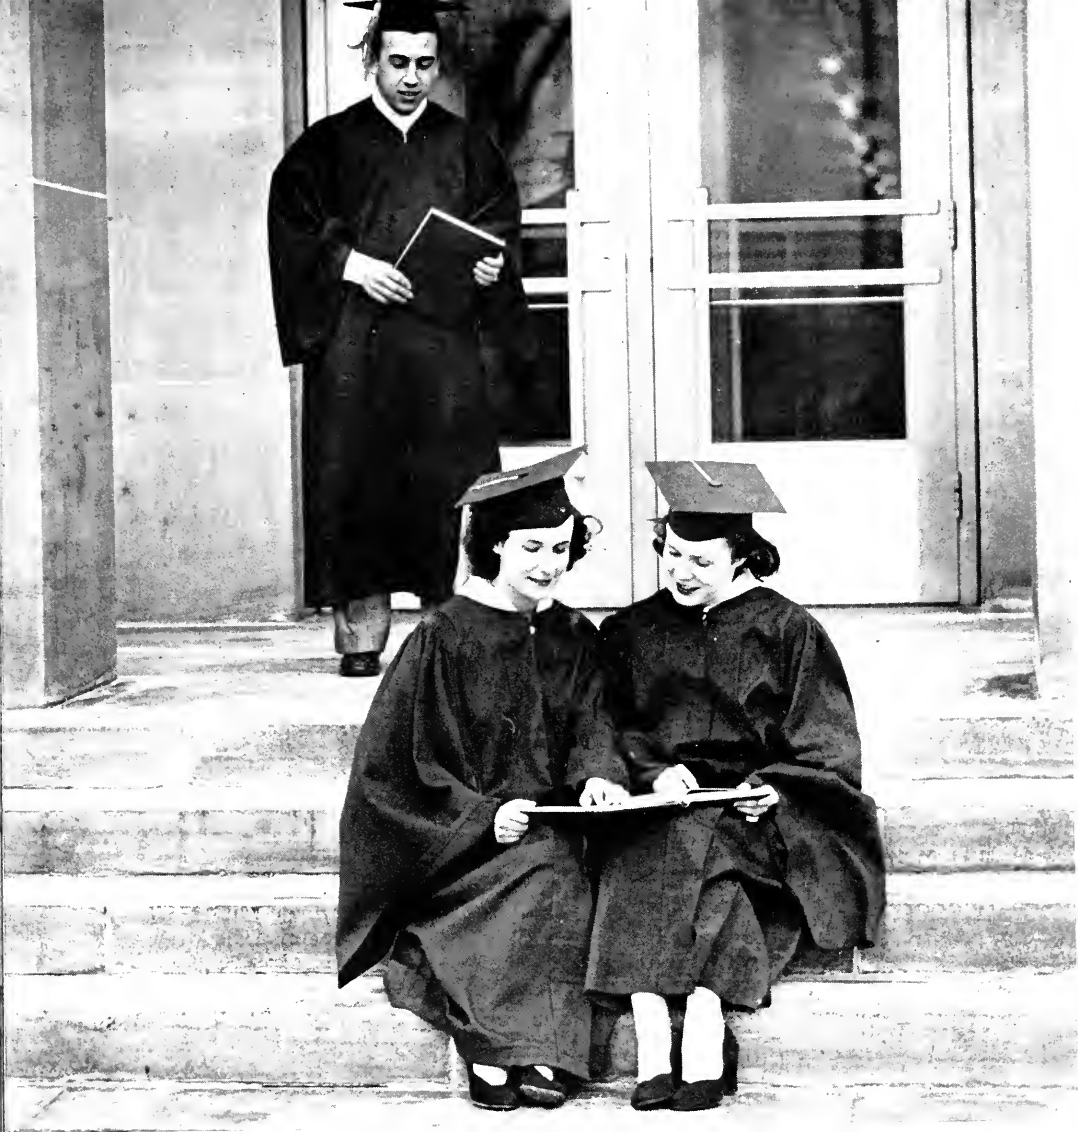

EUCLID SENIOR HIGH SCHOOL
Euclid, Ohio

Editor Marilyn Mathers
Associate Editors Sue Town
and Flora McPherson
Business Managers Ray Grill
and Ralph Weber

One of the last official acts of each graduating class of Euclid Senior High is the presentation of a gift to the school. The January '51 class presented Mr. Owens with the school flag, pictured below, a blue emblem upon a gold satin background.

dedication ...

WE, the Euclidian staff of 1951, dedicate this book to our Alma Mater. Though it has been in existence only two years, it holds a place of reverence in the hearts of all "Euclid's sons and daughters."

The Alma Mater expresses all the loyalty and gratitude we feel towards our school, so generously given to us by our parents and friends; our faculty, always willing and anxious to help us with our problems and studies; and our classmates, who have shared our joys, sorrows, work and play. Our Alma Mater "lifts the hearts of all" whenever and wherever it is sung.

With the passing of time its words will assume an even deeper meaning, reviving the "memories of our friendships here."

We can truly say "Alma Mater, Euclid High School, all our praise we bring to thee."

alma mater . . .

Hail to Thee, O Euclid High School,
To thy name all praise we sing.
Happy days of youthful pleasure,
Learning, living, life so dear.
Our hearts fill with gratitude
For all that is to be—
Alma Mater, Euclid High School,
All our praise we bring to thee.

Where the blue of Erie's waters
Casts the sun's bright golden rays,
There all Euclid's sons and daughters
Sing the joys of student days.
If after-days be dark and drear
And storms of life draw nigh,
The memories of our friendships here
Will lift our hearts to Euclid High.

"Hail To Thee . . . O

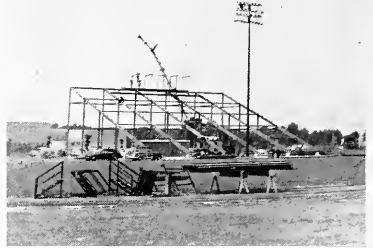

Euclid High School"

our new stadium

The Euclid Panthers played and won their first home football game of the 1950 season in the new stadium when they played host to Shaker Heights, the defending Lake Erie League champions.

During the half-time ceremonies of the Homecoming game between the Euclid Panthers and the Parma Redmen on October 30th, 1950, Euclid High's \$32,000.00 stadium was formally dedicated. Mr. Ike Driver, prominent civic leader, who is keenly interested in the youth of our community, addressed the gathering. Mr. Russell Glass, president of the Euclid School Board, made a presentation on behalf of the students and faculty by Clifford Owens, principal. Mr. Keay, athletic director, acted as master of ceremonies.

The present stadium has a seating capacity of 3,000 which can be doubled through additional construction if the need arises. The building of Euclid's new stadium, one of the most modern and complete in the district, was the final step in fulfilling the requirements for membership in the Lake Erie League.

The pictures at the right show the stadium under construction; pictured below is the stadium after completion.

Just as the raising of the flag symbolizes the opening of the school day, let the raising of this flag reopen all the school days of 1950-51.

"Learning"

board of education

The edition of the Euclidian is a Record of School Friendships. While it tells but a partial story, that story is important to all members of the class of 1951. I hope it will always remain so. It may become even more important in the years ahead.

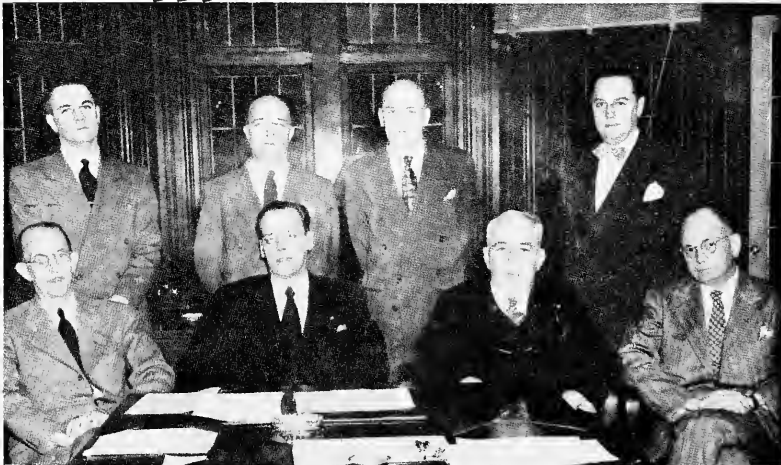

While the fullness and effectiveness of life cannot be measured adequately in terms of any one experience, yet fortunate is the young man or woman who has learned during high school days to make real friendships with their teachers and with their classmates.

Preserve this record well. It will be a constant source of satisfaction to you long after your high school days have passed.

CLIFFORD G. OWENS
PRINCIPAL

Through the medium of this year book we shall be able to live again the second year of our school's existence. Portrayed here in picture and prose are many of the happy memories of activities in which we all shared and participated. Yes, the Euclidian will be cherished by all of us, now and in the years to come.

My personal congratulations to the staff and sponsor for this superior production. I am sure that your efforts will be rewarded in a feeling of self-satisfaction as well as by words of praise from those who examine your excellent work.

VICE PRINCIPAL

GRADUATES OF 1951:

You are stepping into places of responsibility that will call into use the full measure of every skill and ability you have acquired in your years in school.

And now, you are prepared by reason of home opportunities, community advantages and educational effort to be considered graduates of Euclid Senior High School. May you always be as proud of your school in the future as you have been during your student days.

Euclid will be proud of you who will be numbered among the many successful graduates.

"Student Days"

classes

Sewing

Sewing one's own clothes is not only more economical than buying them, but also provides an opportunity for originality in clothes to fit personal tastes. In connection with design, textiles and color are studied and ready-made garments are compared with those the girls make.

Physics

The students of Mr. Koth's physics class are examining an optical disc, which is used for the refraction of light. Through this course the student learns the principles of heat, light, sound, electricity and machines. Two days each week are devoted to lab work when the principles learned in the lecture room are practiced.

Co-ops

The co-op plan is offered to students who want to work part-time while they are still in school. They must prepare for the job in advance so the sophomore, and junior years are spent mastering the necessary skills such as typing, shorthand, bookkeeping and filing. This program is especially advantageous because the student has a chance to practice his acquired knowledge.

classes

Cooking

An abundance of storage space and all the conveniences of a modern kitchen are combined in Euclid's Home Arts department. Each year the newest models of gas and electric stoves and refrigerators are purchased to keep the girls up-to-date on the latest cooking methods. The planning, preparing, and serving of nourishing and attractive meals are emphasized.

French

Beginning students in Mr. MacKeigan's French classes soon learn that no English may be spoken during that period. They are able, after a fairly short time, to carry on conversations with ease and by the second semester to lead the class discussion as Joan Kromar demonstrates in the picture. As soon as the rudiments are learned each student is given a French pen pal.

English

Senior English is an advanced course with much emphasis being placed upon composition and English literature. The Atlantic Monthly and Harpers magazines keep the students up-to-date on the best works of present day authors. In Mr. Blackburn's classes an informal seating arrangement permits freer participation and more contact with each individual.

classes

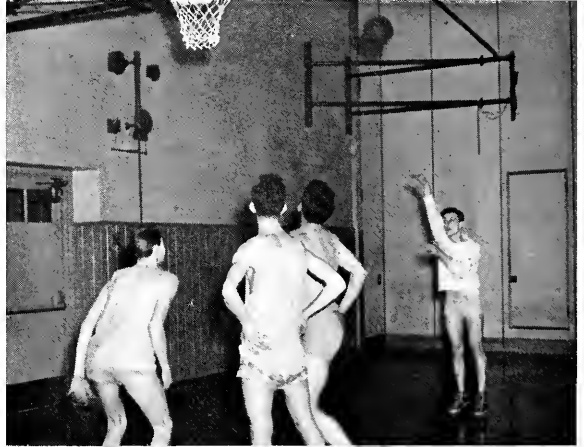

Girls' Gym

Gym classes provide a welcome break in the school day but still give the girls mental as well as physical exercise. They participate in such outdoor sports as hockey, soccer, baseball, and track during warm weather and move inside during winter months to play volleyball, basketball, ping-pong, and badminton. In addition they attend health classes one period each week.

Boys' Gym

Basketball, baseball, football, exercises, and swimming comprise only a part of the activities in a boys' gym class. Members of the Swim Leaders Club assist Mr. Graam in his task of helping the boys to improve their swimming, while members of the Boys' Leaders Club aid the physical education teachers during gym classes and referee intramurals before school in the morning.

Auto Driving

Auto driving, the newest addition to Euclid's High's ever expanding curriculum, is open only to students sixteen years old and over.

With the aid of thorough instruction, driving students acquire valuable knowledge of rules and driving techniques so that at the conclusion of the course a better than average number of driving students gain licenses.

classes

World History

To aid in comprehending world problems, students in Mrs. Stewart's world history classes study the progress of mankind and civilization from their beginnings to the present day. They learn not only the connection between events of the Western and Eastern hemispheres but also learn to understand the customs of our neighbors. A test is the cause of the student's thoughtful expressions.

Woodshop

For boys who intend to be carpenters, cabinet-makers, or general handymen around the house, woodshop is an excellent course. Mr. Case instructs them in the fundamentals of joinery and the uses of various woods in the elementary course and in the more advanced courses in cabinet construction, wood turning, and wood finishing.

Mechanical Drawing

Under the guiding hand of Mr. Pohto, a mechanical drawing student learns the use and care of drawing equipment, the importance of neat, accurate work, how to draw machine parts, and to read blue prints of architectural drawings. Methods used in industry are followed, providing a good basic foundation in drafting.

classes

Typing

The typing course is found to be equally useful to students in commercial, home arts, and college preparatory courses. It is valuable to anyone who desires clarity and accuracy in his work either for his own use or for a future occupation. Through continuous time tests, students increase their typing speed which is a prime requisite of a good typist.

Band

The photographer has caught Mr. Harper in a pose familiar to all musicians. Unlike most classes, the band is frequently required to perform at contests and for the public.

The members of the band learn not only better musicianship and acquire added ability in ensemble music, but also derive much enjoyment from their first period class.

Choir

Pictured here is a typical rehearsal of the popular A Cappella Choir. Miss Tompkins, the director, selects the outstanding members in the choral department to participate in this choir. To any student who gains membership, the experience acquired plays an important part in rounding out his high school education.

Office Secretaries

The efficient young woman behind the office counter is Miss Dolores Fondran, or more simply—Dolores. When she isn't busy fulfilling her secretarial duties to Mr. Owens and Mr. Schwegler, she makes out athletic eligibility lists, records grades and activities, and takes dictation. Mrs. Winters comes in three days a week to help in the office.

P.B.X. Operator

Secretary to Mrs. Sheats and Mr. Baumer and P.B.X. operator Miss Winifred Willis never has a dull moment for there is always dictation to take, letters to write, reports to make and calls to answer. Along with these duties, other little jobs such as student accounting, entries and withdrawals, transcripts and monthly state attendance reports keep Winnie constantly busy.

School Nurse

Mrs. Bieberle, school nurse, takes care of students who become ill or are injured while at school. The clinic, located in the office corridor, is her headquarters. Along with Dr. Martin, school physician, she gives first aid and general checkups in an effort to keep the student body in good health.

classes

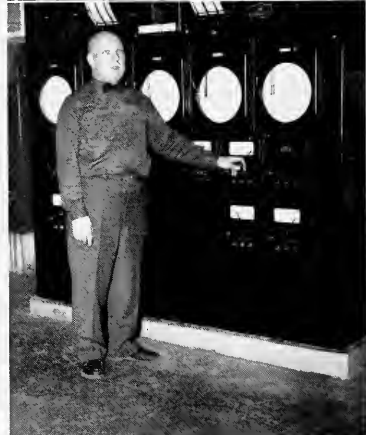

Library

Miss Bowditch, head librarian, is always ready to assist students in finding reference books, novels, biographies or poetry in the library. Students have the privilege of using the library both during study halls and after school. Since the library is large enough to accommodate 600 students at one time, tests are often given there.

Mr. Brewster

Whether you want a door unlocked, a window fixed, the school opened for a special affair, or freight unloaded, Mr. Brewster is the man to see. With his group of thirty-four workers, he is completely responsible for the upkeep of the building. He is shown checking the gauges in our ultra-modern boiler room which provides for coal, gas, or oil consumption.

Cafeteria

Though the cafeteria is not a classroom, nearly all students visit it some time during the day. Mrs. Palloran, head dietitian, supervises the planning and cooking of meals served in the cafeteria both during lunch periods and for special banquets. The cafeteria also provides an excellent place for holding school dances.

"All Praise We Sing"

national honor society

The National Honor Society was first organized in American schools to promote leadership and good character as well as to create an enthusiasm for scholarship and a desire to render service. Any senior or junior in the upper third of his class is eligible to be rated for possible membership. With the aid of a point system each teacher and each present National Honor Society member rates the prospective students on the basis of leadership, character, and service.

Then each January at a solemn and impressive ceremony the worthy scholars are initiated.

A member must stand out among his fellow students but not away from them, for membership is the highest honor that can be conferred upon a high school student.

The picture below was taken at the conclusion of the annual N. H. S. assembly.

national forensic league

Under the guidance of Mr. Leonard Robuck, speech enthusiasts participate in local, district, and state contests and speak before the public to gain enough points to become members of the National Forensic League. At the contests they present original oratoricals, humorous declamations, extemporaneous speeches, dramatic declamations, or participate as a member of the debate team.

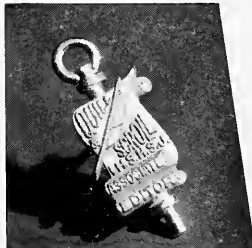

N.F.L.'s scholastic qualifications are the same as those of National Honor Society and International Quill and Scroll: a student must be in the upper third of his class; but he must earn twenty points to achieve membership. A member may and usually does continue to work for points, striving for the higher degrees of Merit, Honor, and Distinction. To receive these degrees fifty, one-hundred, and two-hundred points respectively must be earned.

international quill and scroll

Members of Quill and Scroll, are inducted into the Society during an annual assembly program. The newly elected members take the oath of the organization, and receive their membership cards and pins. (On the pins are inscribed the letters I.H.S.H.S.J. the abbreviation for International Honor Society for High School Journalists.) The purpose of the society, to honor worthy high school journalists, and the qualifications for membership are explained to the entire student body in this assembly.

To qualify one must give outstanding service either to the business or to the editorial staff of the Survey or the Euclidian, rank in the upper third of his class scholastically, excel in character, leadership and service, and be recommended by the advisor of one of the publications.

Samples of his work must be submitted to the society's executive officer for final approval.

national athletic scholarship society

To become a member of the National Athletic Scholarship Society a boy must have been awarded a letter in football, basketball, swimming, wrestling, track, baseball or golf and proven himself outstanding in fair play and good sportsmanship. In addition to a letter, he must be in the upper forty percent of his class and must be elected, by the vote of the faculty, into the society. N.A.S.S. was formed primarily to promote good scholarship among athletes by producing an incentive for earning better grades. Intelligent students not only make the best athletes, but also save the coach from worrying about the eligibility of his players.

It is certain that more boys will strive for membership in N.A.S.S. and make it a bigger and more important honor club at Euclid High.

student council

Twice a year each homeroom elects one representative who takes any problem of the students to the Student Council. At the meetings these problems are discussed and solved, if possible. The Council sponsors many programs and dances for the enjoyment and benefit of the entire student body and is always ready to back any school activity. The Get Acquainted Dance, the first of the year, as well as the Football and Basketball Dances are annual affairs.

Honor study halls, the bookstore, hall guards, concessions, the student council reception room, the recreation room and assembly programs are completely managed by the student representatives in keeping with Mr. Koth's policy of giving the students as much responsibility as possible in the running of the school.

Alyce Sowden and Herman Sluga headed the magazine drive which was originated to take the place of numerous small money-making propositions previously used by Student Council. The individual students were allowed to apply their share, one-half of the profits, to any school activity or publication they chose.

A nine-hundred and fifty dollar popcorn machine, purchased in March, was used at the final basketball game, the tournament, and after school. A tax stamp drive, headed by Joanne Archbold, was promoted by the council to help pay for the machine.

concessions

Left to right: Marilyn Mathers, Chuck Sezon, Ralph Elrick, Flora McPherson.

Heading concessions is another of the enormous jobs undertaken by the Student Council. Marilyn Mathers, Chuck Sezon and Dick McHarg took charge of football concessions while Flora McPherson and Ralph Elrick managed basketball concessions. Homeroom representatives, honorary members and student volunteers sell at the games.

secretaries

Left to right: Ro Ferro, Sue Town, Marilyn Mathers, Herman Sluga.

Two secretaries are assigned to the Student Council Reception Room each period. They take charge of articles for the lost and found, escort visitors around the school, and deliver messages for Winnie. Ro Ferro is responsible for the upkeep of the room; Sue Town and Marilyn Mathers assign the secretaries.

hall guards

Nine hallguards are assigned each period to keep the halls clean, to see that students have hall passes, and to direct visitors. Jean Whiteside chooses the captains and the other guards from study halls and gives each of them a list of rules to follow in accordance with hall procedure.

officers

*Seated: Sue Town, secretary.
Standing: Ray Grill, treasurer; Ted Monacelli, president; Moe Sugerman vice-president.*

Student Council, the governing body, was headed by Ted Monacelli, Morris Sugerman, Sue Town, and Ray Grill. These officers were elected by secret ballot last spring in an all school election. Bob Eiber was elected as treasurer by the council to fill the vacancy left by Ray Grill the second semester.

hi Y

In troubled times such as these, it is good to have a code to live by, something to grasp mentally that will strengthen your stride along the paths of everyday living.

The Euclid High School Hi-Y platform is such a code—a guiding influence to its members.

The first plank in the Hi-Y platform is Clean Speech. A fellow's speech usually betrays his inner life. "As a man thinks in his heart, so is he."

The second plank in the Hi-Y platform is Clean Sportsmanship because it means much in building up a boy into a man. Clean Sportsmanship develops courage, will-power, self-reliance, fair-play, team-work, and self-sacrifice. The fellow who plays clean in athletics will play clean in the game of life.

The third plank in the Hi-Y platform is Clean Scholarship. No boy can get any lasting benefit for himself by any kind of cheating. You may fool your teacher, but you can never fool yourself.

The fourth plank in the Hi-Y platform is Clean Living. A man is made by his habits. "What you do speaks so loudly that I cannot hear what you say."

Thus does Hi-Y work to benefit boys.

—Pete Wolf, *Editor of the Survey*

The Hi-Y officers for the year 1951 were Ted Monacelli, president; Ronnie Potokar, vice-president; Wesley Wheaton, secretary, and Howie Welch, treasurer.

The Hi-Y at Euclid was completely reorganized this year. In previous years each applicant for Hi-Y was voted upon by the members of the club, but this year it was decided to open Hi-Y to all boys in the school. A larger club resulted, necessitating the organization of five chapters. Each chapter elected its own officers and carried on its own projects, the entire club meeting only at the beginning of the evening and then the group breaking up into chapters for more specialized meetings.

Cavaliers

A clothing drive and food for a needy family at Christmas time as well as a speaker from the F.B.I. were the projects of the Cavaliers, sponsored by Mr. Bennett. Its officers were Dick Trebec, Chuck Sezon, Bill Nobbie, and Louie Knezevich.

Knights

The major project of the Knights chapter of Hi-Y, sponsored by Mr. Apple was the planning of a banquet held April 24 at Rondini's for the whole club. Pete Wolf, Ed Hoffert, Don Barry, and Mike Stefanchik were president, vice-president, secretary and treasurer respectively.

Counts

A panel discussion, the sale of First and Tens at the tournament, and a visit to John Adams Hi-Y were the events sponsored by the Counts under the leadership of Ralph Elrick, Sam Perry, Bob Dill, and Bob Eiber. Mr. Galicki filled the vacancy left by the retirement of Mr. Stubbart as sponsor.

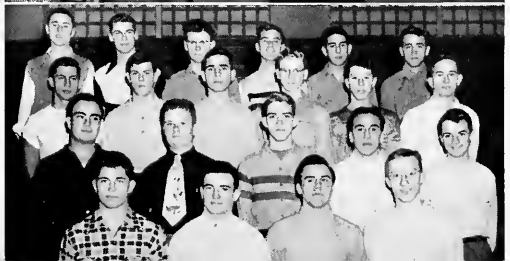

Lords

Mr. John Kuhfahl, assistant director of the Y.M.C.A. in Euclid, helped the Lords as well as the whole Hi-Y in their work. Led by John Byrum, Larry Thomas, Dan Wawrzyniak, and Jim Stokes, the Lords had a paper sale on March 17th to raise money and sponsored a dance at the 200th Street project, open to the public.

Squires

Clark Hofmann, Fred Martin, Al DeSimone, and Ray Timco, officers of the Squires, with the aid of Dr. Erickson, sponsor, and the other members of the chapter, held a clothing drive, a dance, and sawed wood as a money making project.

Service, educational and recreational meetings comprised the year's Y-Teen program. Two service meetings were planned for each class, while recreational activities vary from parties to the Hi-Y Friendship Christmas Formal. The style show and a speaker from the F.B.I. were two of the most enjoyed educational meetings.

The election of officers is held in May so that the new officers have an opportunity to attend the summer district and state conferences.

social clubs

Flower Club

Members of Mr. Smith's Flower Club visited local greenhouses to gain new ideas and methods which may be applied to the growing and exhibiting of their plants. Each fall the club sponsors a flower show and awards prizes for winning entries.

Camera Club

In a single semester, even an inexperienced photographer can learn proper exposure, distance judgement, choice of subject matter, posing, development, and printing of pictures, by joining the camera club. Under Mr. Thompson's sponsorship, club members find that events such as school dances afford an excellent opportunity to gain experience.

Cribbage Club

Cribbage is one of the more complicated card games which may be played during leisure time. Mr. Galicki quite often joins a group to make a "second" or a "fourth."

Dancing Club

During the first semester the members of Mrs. Kluter's and Mr. Bennett's Dancing Club receive professional instruction from Arthur Murray teachers. The second semester is devoted to perfecting the new dance steps.

Needlework Club

The beautiful hand-worked creations made by the girls in the Needlework Club, under Miss Aingworth's supervision should grace any home—or hope chest.

social clubs

Ukelele Club

Mrs. Heintz instructs budding Arthur Godfreys in the popular art of ukelele strumming. Each member must own his own "uke". During a meeting there are as many kinds of ukes as club members.

Ceramics Club

The Ceramics Club utilizes all the creative ability its members possess. Mr. Vollman is always on hand to give assistance and to see that the new kilns and other equipment are used properly.

Junior Red Cross

The school chapter of the Junior Red Cross, sponsored by Miss Lemon, prepares its members to render aid during emergencies. Typical of their many service projects is the making of party hats and other favors for the children's hospitals.

Gem Hunters

Mr. Stubbart originated the Gem Hunters Club to acquaint boys with the common semi-precious stones, their use, and location. Many of the boys have learned to cut and mount their stones.

Chess Club

Most of the thirty members of the Chess Club have long known how to play this complicated game, joining simply as a means of meeting others who share their enthusiasm for the "sport of Kings."

social clubs

Ping-Pong Club

Amateurs and aspiring pros are equally welcome to join the Ping-Pong Club. Mr. Apple is always on hand to teach the beginners and to challenge the old timers.

Modeling Club

Many prominent local models appear before the girls of Miss Gillman's Modeling Club to give them practical but beautifying hints about clothes, posture, poise, and grooming.

P.A. Announcers Club

Whether announcing is just fun or a future ambition, the P.A. Announcers gain invaluable information about diction, inflection, and general voice improvement from their sponsor, Mr. Robuck.

Singing For Fun

Miss Tompkins Singing For Fun Club gives singing enthusiasts, who because of crowded schedules are unable to attend any regular choir, a chance to "sing for fun" once each week. Members of this group often participate in productions such as the Christmas Concert.

Canasta Club

Canasta has become such a national and local favorite that Miss Darst and Miss Berg both sponsor sections of this popular club.

social clubs

World Affairs Club

The World Affairs Club, which is a chapter of the Jr. Council of World Affairs, was organized by Mrs. Stewart to promote better understanding of foreign and international affairs among our high school students. Joan Hopp, because of her many years of service, was awarded the opportunity to represent our chapter in New York.

Publications Club

The Publications Club, with the help of Mr. Angene, laid rough plans for a school magazine and edited poems, essays and stories for publications and contests.

Science Club

Students who are intensely interested in science meet with Mr. Gebhart each week to report on the newest scientific developments and discuss new theories and laws. They inquire about scholarships and contests and often participate in them.

Knitting Club

Argyles and mittens and even an occasional sweater are knitted by the girls in Mrs. Barrows' Knitting Club. The girls quite often get so engrossed in their knitting that they work on it between classes, and a few confess that they don't always hear the bell.

Round Table Club

Current events and policies of local, national, and international significance are debated informally during round table meetings. Mr. Whiteside is responsible for maintaining order, which, when discussions become heated, is quite a task.

“Dramatics”

junior play

"Mother Was A Freshman"

The Junior class, under the able direction of Lester Angene, presented their annual play, "Mother Was A Freshman," a hilarious farce built around college life, on November 17 and 18.

Mother, Janice Lindstrom, was the comely co-ed who attracted more than usual interest from handsome Professor Michaels, played by Tom Paskins. John Gottschling as Bobo, won the hearts of Susan, Jane Lowell, and the audience alike.

The hard-working production staff, headed by Ann Browning, managed all the technical aspects of the play, and gave the class a much needed boost in the financing of the Junior-Senior Prom.

Janice Lindstrom is the center of all masculine attention in this scene from the Junior class play, "Mother is a Freshman."

Without the co-operation of the faculty and student body, a yearbook would be a nearly impossible task because of the constant picture taking, soliciting and data gathering involved. Their patience and understanding made this book possible. Both the Euclidian Editorial and Business staffs are sincerely grateful.

"Music"

the euclid high school band

The Euclid Senior High Band had no sooner assembled in September than they found themselves outdoors again—this time it was work, not play as they drilled for marching band. From then on it was drill, drill, drill as they prepared a new routine for each home and away game. The grand finale, which had been planned for the last game of the season, was reluctantly forgotten as the rain failed to slacken by half-time.

At the climax of the football season, rehearsal for the popular production, Concert in Swing, started and later much time was spent in preparing for the district and state contests. Many of the instrumentalists participated in the Greater Cleveland Music Contest at Cleveland Heights on March 30 and 31. The semi-classical concert was given by the band on May 18. At this concert the year's best section of the band was chosen by Mr. Harper, director, with the aid of Mr. Clark and Mr. Mitchell. Marching for Decoration Day was one of the last major activities of the band of 1951.

the euclid high school choir

Though it was tiring, not one member of the A Cappella Choir regretted that the performances for the personnel of Tapco, the radio audiences of WHK and WSRS, and the commuters in the Cleveland Terminal were all scheduled for the same day — December 21.

On December 20 at the Christmas Concert, Miss Jan Tompkins' choir appeared for the first time in the new robes so generously given to them by the Euclid Kiwanis.

Not to be outdone by the band, the choir members who participated in the vocal contest on February 24 won their share of "firsts" and "seconds."

The Spring Festival at Shaker Heights turned March 16 into a day full of fun, as members of the choirs of Lake Erie League schools met to swim, dance, eat, and of course—sing. The day's events were climaxed by an evening choral program with the combined choirs singing four songs.

girl's leaders club

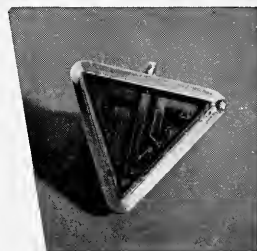

Loose straight hair and pale faces can mean only one thing. Girls' Leaders Club is holding its annual initiation of members.

All senior and junior girls are eligible to apply for membership. The applicants, rated by three subject teachers on the basis of scholarship, leadership, initiative, dependability, and athletic ability, are then screened by the present G.L.C. members. The final selection is made by Miss Gill, sponsor.

The job of the leaders is to aid the physical education teachers by refereeing games, taking care of equipment and demonstrating proper techniques. Any girl desirous of entering the physical education field certainly gains valuable experience through membership in G.L.C.

To earn a G.A.A. letter is one of the foremost desires of all Euclid girls. For three years each G.A.A. member strives to earn enough points for a letter and perhaps if she takes part in every possible athletic activity, she will reach her goal. Because of the difficulty in accumulating the required points, only a limited number of girls receive the award.

Points may be earned not only through intramurals such as volleyball and baseball, and individual sports such as roller skating and bowling, but also by playing hockey as a member of the only interscholastic sport for Euclid girls.

With only 4 lettermen returning for the 1950 football squad, the outlook was far from bright to Coach Sparky DiBiasio and his assistants Clarence Eckert, Jim Calvert, and Bob Lewis. The team, however, not to be outdone by the 1949 squad, turned in a commendable performance of 5 wins and 3 losses.

Showing a fighting spirit, Euclid sounded a challenge by routing Ashtabula, her first opponent of the season as Ron Potokar took the ball 54 yards to the 3 yard line on the first play. Back home for the initial game in the new stadium, the Panthers met their first Lake Erie League opponents, Shaker Heights. Bob Setron threw 2 touchdown passes to Stan Intihar to defeat Shaker 13 to 12. Journeying to Shaw, the Panthers bowed to a spirited and powerful Cardinal team, thus suffering their first defeat of the season. The following week a scrappy Canton team pushed over a win when the "blue and gold" missed several scoring opportunities on long passes. Unleashing their power at Cuyahoga Falls, Ken Redlin, with much team aid, ran the opening kickoff 95 yards for a touchdown. Through a powerful ground and aerial attack, Euclid trounced Parma at our first Homecoming Game. The new stadium was formally dedicated, officially making us members of the Lake Erie League. To avenge last year's defeat, with 5 minutes to go and the score University 13, Euclid 0, Ronnie Potokar threw 2 touchdown passes to Stan Intihar and Stan placed 2 perfect kicks to win the game. Rain, mud, cold—and Toledo's big men dropped Euclid to close the Panther's 1950 football season.

Faculty Athletic Manager Retires

The familiar figure of Mr. Harry Spangler will be missing from the athletic scene next year. At the termination of the 1951 season, his retirement from the position of faculty athletic manager became effective. For years he had been athletic director at Shore and was the logical choice for faculty athletic manager at Euclid High. To assist him in the sale of tickets and the managing of games, Ad Club was organized. Few people realize the time required in establishing and maintaining the efficient, co-ordinated working system that Mr. Spangler created in the Ad Club.

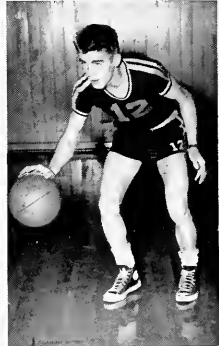

Giving up his job as faculty athletic manager does not mean leaving Euclid High, for Mr. Spangler will continue his teaching duties here. Mr. Anthony Vaccariello, who was a coach at Shore and who has always been interested in high school athletics, has been appointed to succeed Mr. Spangler.

Though the Panthers ended in a third place tie with Elyria in their first year in the Lake Erie League, the Calvertman gave all the league schools very keen competition. The hoopsters won 7 of their scheduled league games and 4 of the 7 independent games having a total of 11 wins and 8 losses for the regular season.

Euclid, however, did not show its real spirit and speed until the tournament. In their first tourney game they trounced Willoughby 67 to 27. Cathedral Latin was the next

victim to fall into the Panther's clutches, losing by the score of 52 to 50. Then as the underdog, having been overpowered in two league games by Cleveland Heights, the Panthers played a magnificent game to edge out the Tigers 49 to 48 in an overtime period to remain one of the sixteen teams bidding for the state championship. Sailing was a little easier in the next and final district tourney game. Euclid defeated the neighboring Collinwood Railroaders 39 to 35 to win the district championship. Each player on the championship team received a medal while a trophy was presented to the school. Don Kollar, voted most valuable player of the tournament by all the tourney coaches, was awarded the Ford Case Trophy.

A week later Euclid traveled to Kent for the Regional Tournament. Though their opponent, the Barberton Magics, was a strong favorite, the Panthers held their own the first half, but with the loss of Stan Intibar in the second half, Euclid lost control of the backboard and the game. The final score was 55 to 38.

Captain Frank Kehn and Coach Calvert discuss team strategy.

junior varsity basketball

The Junior Varsity Basketball team of Euclid were the champions of the Junior Lake Erie League in their first year of competition. Winning fifteen straight games and losing only one game of eighteen shows the ability and spirit of the boys. The team averaged fifty-five points per game while their opponents averaged thirty-four points.

Mr. Calvert head basketball coach, as well as the entire team and student body, was very proud of Don Kollar, voted the most valuable player of the tournament, by the tourney coaches.

The first event in which the Euclid cinderman, coached by Clarence Swackhamer and Ira Stubbart, took part was the Arena Meet on March 31. Competing in Class B at the indoor meet, Tony Bechemer captured a first place in the high jump and Ralph Strohm took a second in the shot put.

Captained by Jim Wright and Harold Moses, the Panthers copped a second in their first triangular meet collecting a total of $46\frac{1}{2}$ points to Adams' 38 and Akron South's $52\frac{1}{2}$ points. The rain, mud, and cold, as well as the Lakewood pace proved to be too great for Euclid, for at the next meet, the

Panthers suffered a $70\frac{1}{2}$ - $47\frac{1}{2}$ defeat. At the West Tech Relays Ralph Strohm, Tom Cousineau, and Al Omerza took a first place to win the shot-put trophy. The Cleveland Heights Tigers outwore the Euclid Panthers by a score of 63 to 55 at a very close meet. The thinclads next traveled to the East Tech Relays where Tony Bechemer won a first place in the high jump. The Panthers came back to defeat the Lorain Steelman $69\frac{1}{3}$ to $48\frac{1}{3}$ at the first meet on the new Euclid track. At the District Meet, held at East Tech, Tony Bechemer qualified for the state meet by tying for third place in the high jump.

social life

A Touchdown

"A touchdown, a touchdown" cheered the spectators and the team did their best to oblige. The crowd went wild as our boys smashed through their opponents line to make a sizeable gain.

Dedication

Mr. Russell Erwine, Mr. Ike Driver, Mr. Richard Keay, Mr. Russell Glass, and Mr. Clifford Owens were all on hand on October 20 to dedicate our new \$32,000 stadium. The new stadium with a seating capacity of 3,000 was an addition much appreciated by both the Euclid and visiting fans.

Majorettes

Euclid High's majorettes are some of the hardest working girls in the school, but they receive very little credit for their efforts. Under the direction of Mr. Mitchell, they practice from eight o'clock to nine-thirty every morning of the football season, learning new routines each week.

The Parma Band

Modern schools, beautiful homes, and diversified industry as well as the growth of Euclid from 1880 to 1950 were the things saluted by the Parma Marching Band at the dedication of the new stadium.

social life

Homecoming Queens

October 6 was the date of Euclid's first Homecoming Game. Two girls from each class were chosen to sell tickets for the game. Dorothy Funk and Pat Toth tied in ticket sales to become twin queens while their attendants were Rosie Mannion, Margie Hale, Joan Clayton, and Joyce Long.

Scoreboard

46 to 6 was the final score of the Parma-Euclid game. The scoreboard, very generously given by the Board of Education, is located at the north end of the football field.

Junior Class Party

The junior class convened on the evening of October 23 to brew magic potions and work other mystic feats. A spell of merriment and gaiety was cast over the entire crowd, and they found themselves compelled to dance and laugh until ten o'clock when the spell was suddenly broken leaving only nostalgic memories.

Presentation of Car

Mr. Powers of Euclid Ford presented John Supance, our driving instructor, with a new dual control Ford. The car was immediately put to good use as evidenced by the insert in the upper left corner. The victim could not be identified but it is believed that it was the "Little Old Lady" so often referred to by Mr. Supance.

social life

Key Club

The Key Club, a junior branch of the Kiwanis Club, meets every Thursday night at the school. Members are chosen by the club and approved by Mr. Owens. Key Club sponsors various money-making activities and has a yearly service project to benefit the school.

Sophomore Class Party

On October 31 the sophomore class sponsored a Halloween Party. Dick Sodja's band furnished the music for dancing and free refreshments were served to all. During the band's intermission everyone gathered around the piano to sing and play.

Cheerleaders

Rated tops by all Euclidites was our cheerleading squad composed of Pat Maher, Babs Peterson, Vernie Palsa, Joan Dondera, Rosie Valencic, and Rita Dugan. Whether rain or shine, the girls were on hand to cheer our boys on to victory.

Co-op Party

The co-ops, because they attend school only in the morning and work all afternoon, miss many of the school's social functions. To compensate for this they had a special party at Mr. Smith's home.

social life

The Gym

An eye-catching display was created by posting paper letters at the top of the column of windows on the west side of the gym. When the lights were on and the letters shown brightly we knew another big game was being played.

Senior Class Party

Dancing, including a polka contest, was the main entertainment at the Senior Class Party on October 16. The class officers, dancing in the foreground, were elected in late September by the entire class.

N.H.S. Initiation

Mary Jo Replogle congratulates Tom Sterling after the National Honor Society assembly while the other newly initiated members wait to have their pictures taken.

Chesshires

Getting senior pictures taken at Chesshires involved what often seemed like endless waiting. Dave Powell's camera caught a group of our students waiting, as usual, to pose for the silhouettes which introduce the various sections of the Euclidian.

social life

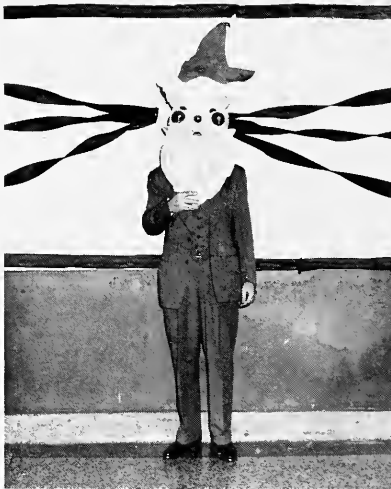

Christmas Time

A beautifully trimmed tree was a part of the school's Christmas decoration. The photographer caught Alice Melkerson and Joe Sullivan as they were putting the finishing touches on the Student Council tree in the main corridor.

Santa Claus

Mr. Baumer, dean of boys, inspects the Christmas decorations in the cafeteria made by the Y-Teen Club for the Hi-Y Friendship Christmas Formal and finds Santa to be in very good condition.

Senior Day

In the "Senior Day" assembly the mid-year graduating class took advantage of their last opportunity to "show-off" their talents before their former classmates. Jack Frazier sings as he strums on his guitar. In addition to the entertainment senior awards were presented to Euclid's third graduating class.

social life

The Pirate Dance

The Business Staff of the Euclidian presented the Pirate Dance on February 23 to help finance our yearbook. Pirates, skeletons and a treasure chest adorned the cafeteria while students danced to the music of Ronnie Son and the Musical Troubadors.

The Brush Recorder

A Brush Tape Recorder was included in the long list of purchases made by the Student Council during the year. Any student or teacher in the school has the privilege of using the \$250.00 recorder.

The Popcorn Machine

"Between ninth and the closing of school, when the appetite is beginning to grow, comes a lull in the day's activities that is known as the popcorn hour." The enticing odors from the council's new \$950.00 Manley Popcorn Machine lure hundreds of students to the gym corridor nightly.

*If after day be dark and drear
And storms of life draw nigh,
The memories of our friendships here
Will lift our hearts to Euclid High.*
